

the effective

prayer

## Praying for the shut-ins

- Ask the Lord to send them friendship.
- Pray for them to be comforted by the Lord's presence.
- Pray for those caring for them--- family and health professionals.
- Pray that the Lord will remind those who suffer from dementia/Alzheimer's that He has not forsaken them.

---

---

---

O God, from my youth you  
have taught me,  
and I still proclaim your  
wondrous deeds.

**So even to old age  
and gray hairs,  
O God, do not forsake me,**  
until I proclaim your might to  
another generation, your  
power to all those to come.

*~ Psalm 71.18*
